We against the significantly increased traffic through Barrington. The congestion is already significant and with the rails going through 2 significant (major) roads in our town, it will be devastating to the community. We also have severe concerns over emergency vehicles having severely limited access to hospitals due to the freight trains.

No additional freights through our community.

Also, have concerns about freight derailment.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
